

Basic Weather and Forecasting

Wednesday – August 22nd, 2018

7:00 pm to 9:00 pm

West Marine

147 Sunrise Highway

West Islip, NY 11795

The safety and comfort of those who venture out on the water have always been weather dependent. This seminar is a must for boaters who have never taken a weather course. It will help you gain an understanding of the forces acting on your boat. Understand the forecast and know what to expect, whether you're in a kayak, trawler, sailboat, or schooner. This seminar presents a complex subject in a way that is both understandable and useful. *****PLUS, a Marine Meteorologist from NOAA will be our guest speaker.******

Pre-registration is required – Space is limited!!!

****All attendees will receive a \$15 off a \$100 purchase at West Marine!!****

(The store will be open for 30 minutes after seminar for your shopping needs.)
